PROFILE

I am a highly skilled Full Stack Web Developer with a Bachelor's degree in Computer and Information Systems . I have a strong background in debugging, web application development, and full-stack web developer coding. My technical skills include proficiency in Tailwind CSS, Mongodb compass, Postman API, HTML, Redux.js, REST APIs, and testing. I also have experience in project management, Agile methodologies, and problem-solving. I am fluent in English, have excellent communication skills, and excel in teamwork. My expertise includes React.js, Node.js, Express.js, MongoDB, Bootstrap, and NextJS.
